

FOR IMMEDIATE RELEASE

WHO: Montauk School & Concerned Citizens of Montauk
WHAT: Montauk School Science Fair
WHEN: Friday, January 22, 2016
WHERE: Montauk School, 50 S. Dorset Dr., Montauk, NY
CONTACTS: Jessica James (650) 796-9370 (CCOM)
Joe Malave (631) 668-2474 (Montauk School)

The Montauk school is pleased to announce the winners of our annual science fair. We also would like to publically thank CCOM for organizing the judging panel and providing cash prizes to students. The winners of this year's fair are:

8th Grade

1st - Samantha Prince
2nd- Han Le
3rd - Kendall Stedman

7th Grade

1st - Iza Sessler
2nd- Megan White
3rd - Sophia Botero

6th Grade

1st - Alex Koutsogianis
2nd- David Gregorio
3rd - Juliana Lester

5th Grade

1st - Dylan Fee
2nd - Colin Tyrell & Jack Dickinson
3rd - Jessica Prince

The judges, who included Andy Harris, CCOM's Environmental Committee Chair, Mara Dias, Surfrider Foundation, Stephanie Krusa, Third House Nature Center and John "Barley" Dunn from EH Shellfish Hatchery, among others, said that they were pleased by the high quality of the student projects. "We were particularly pleased to see a focus on water-quality issues," Jessica James, CCOM Vice-President, who oversaw recruitment of the judges. "Some of the students availed themselves of the water-quality testing equipment at the CCOM office."
